ABOUT FLIGHTSIMEXPO

Welcome to North America's community-driven flight simulation and aviation conference. As the largest enthusiast flight simulation event in North America, FlightSimExpo connects simmers, developers, exhibitors, and real-world aviators from across the globe.

Our last event in 2019 in Orlando welcomed more than 1,600 attendees and 63 exhibitors. FlightSimExpo returns on September 24-26, 2021 as a hybrid event held in-person in San Diego and virtually online.

SPONSORSHIP AND EXHIBITOR OPPORTUNITIES

Sponsoring and exhibiting at this exciting event allows partners to showcase their products, network with military and civilian training organizations, and interface with our unique attendee base. The flight simulation audience is like no other in the aviation world: it ranges from the casual computer hobbyist to the full-scale home simulator builder, includes the 'weekend warrior' private pilot, and even extends to professional flight training.

We are excited to offer a variety of ways to get involved with FlightSimExpo **in-person or online**:

Sponsoring

Support the event through unique marketing opportunities.

Exhibiting

Meet fellow flight simulation enthusiasts and other developers and present your latest products and services.

Speakers

Share your perspective with our audience during two days of seminars focused on the flight simulation and aviation industry.

Media Partners

Provide FlightSimExpo coverage before, during, and after the conference.

In-Kind Sponsors

Gain exposure by donating items for prizes, giveaways, and draws throughout the event.

Gain recognition by committing early! The sooner you register, the more exposure you'll receive with the community and with our attendees. Plus, your logo appears first in our marketing materials.

COVID-19 IMPACTS

FlightSimExpo understands that the ongoing global pandemic is still causing challenges for international travel and that the potential remains for renewed public health restrictions in the United States.

However, based on feedback from the community, we remain committed to holding a hybrid in-person and online event in San Diego on September 24-26, 2021. We will comply with any health and safety protocols required by the state and/or venue that are applicable. If, for any reason, we are unable to hold an in-person event, we will proceed with an online-only event on September 24-26, 2021.

Exhibitors have complete flexibility on changes to in-person attendance until September 12.

I plan to exhibit. What happens if I elect not to attend the in-person event, or the event moves to an online-only format?

You will have the option to:

- Convert your exhibitor registration to a Gold Sponsorship **for no additional charge**. This includes the ability to host a virtual “video booth” during pre-defined hours.
- Receive a full refund, until September 12.

After September 12, exhibitor fees are non-refundable.

I plan to sponsor. What happens if the event moves to an online-only format?

We will apply your sponsorship fees to the online-only event. You will also receive a \$250 credit that can be applied toward our next in-person event.

My organization has a credit from a past event. How do I apply it?

Credits from past events are tracked internally by our accounting software and will be automatically applied when processing your application form.

WHAT'S **NEW** FOR 2021

Given the uncertainty caused by the global pandemic, we're making it easier than ever for organizations to get involved with FlightSimExpo!

Hybrid Event

For the first time ever, FlightSimExpo will be available to anyone, anywhere with the online-only registration option.

- Seminars and sponsors will reach a larger audience than ever before.
- Any flight simulation developer can engage directly with attendees through a Virtual Exhibit Booth.
- Exhibitors and sponsors are afforded complete flexibility in their plans.

Simplified Sponsorship Options at Great Value

We've made the sponsorship process more accessible than ever.

- This year, there are two simple sponsorship options: the top-tier Diamond Sponsorship, and a Gold Sponsorship.
- At just \$1,250, the Gold Sponsorship offers incredible value by comparison to previous years.
- Sponsors can host a Virtual Exhibit Booth at no extra charge.

More Exhibitor and B2B Networking

Meet and engage with other flight simulation developers, whether you're attending in-person or online.

- For in-person organizations, join our Sponsor and Exhibitor Social on Thursday evening. Then, arrange private, one-on-one meetings in our dedicated event space on Friday morning, at no additional charge.
- Online developers can use our virtual event platform to schedule direct meetings with other sponsors and exhibitors.

AviationLads Partnership

Making a professional promo video has never been easier.

- All software partners receive a reduced rate on an expanded professional promotional video from [AviationLads](#).
- Gold and Diamond Sponsors receive this benefit free!

SPONSORING

By sponsoring FlightSimExpo, you'll receive brand recognition and effective marketing directed at flight simulation and aviation enthusiasts from across the United States and around the world.

Partner Upgrades and Add-ons

The following add-on options are available to conference partners:

NEW **AviationLads Professional Advertisement Kit:** A custom, professional promotional video for your organization, covering one or more of your software/digital products ([example](#)).
— \$500 or FREE with Sponsorship

NEW **Virtual Exhibit Booth:** Connect directly with remote attendees with your own dedicated video room. Just like an exhibit booth, attendees can join different video chat rooms to ask questions or connect with your representatives. Includes two online conference registrations.
— \$400 or FREE with Sponsorship

Facebook Takeover
\$100 per Week

Customize and create your own cover photo for the FlightSimExpo Facebook page. Plus, we'll create one 'boosted' post with your custom content (estimated audience: 1,000 – 2,500).

Email to Attendees
\$150

Add one paragraph (200 words) to a pre-event email to attendees. Use this opportunity to get attendees excited about your booth: tell them what you will be offering and why they should stop by.

Developer Seminar
\$400-500

Connect with our audience via a dedicated 30-minute presentation on Saturday or Sunday where you announce a new release or development update. Longer time slots are available on request

Event App Push Notification
\$100

Planning a booth demonstration or announcement during the event? This option enables you to send one push notification (50 words maximum) to all event attendees through the conference mobile app. This method is the fastest and easiest way to help drive traffic and ensure your announcement has maximum reach.

Additional Exhibitor Passes
\$50 Each

Two complimentary passes are included with the purchase of a booth. Additional passes are available for larger groups.
