

Information on COVID-19 for FlightSimExpo 2020 Participants

*Click "Refresh" to ensure you have the latest version of this document, last updated on **March 24, 2020**. We encourage you to check for updated information regularly. This document consists of **one page**.*

FlightSimExpo is carefully monitoring the global health situation resulting from the novel coronavirus/COVID-19. The safety of our attendees, exhibitors, and partners remains paramount, as does being community-driven in our decision-making.

Based on recent developments in Las Vegas and around the world, it is no longer possible to run FlightSimExpo 2020 as originally planned.

OUR NEXT STEP

We are currently polling attendees and partners to determine whether they would like us to cancel or postpone the event. During this time, attendee registration has been paused.

We are updating registered attendees and confirmed exhibitors via email.

Whether or not the event moves forward, **all FlightSimExpo participants will have the ability to cancel their registration** and receive a full refund. We will provide more information on the refund process in the coming days.

Room bookings made at Tropicana using the [FlightSimExpo Booking Link](#) may be canceled, free of charge, until 48 hours prior to check-in.
