Looking for meal options?

The conference schedule does not include lunch and dinner, designed so attendees can explore the hundreds of bars and restaurants located in and around Flamingo Las Vegas Resort.

Download "Whova" and connect with the conference using the code "FSExp018" to take part in attendee-organized dinners during the event.

The Squawkbox

Meet, Greet, and Learn from the Experts

The Squawkbox is a “meet and greet” area where attendees can connect with big names, Twitch streamers, simulation experts. Learn about scenery design, avionics, freeware, shared cockpits, and sim-pit building throughout the event! The Squawkbox is located on the main exhibit floor, booth #107, just outside of the conference room.
