

## Friday, June 7

**11:30am Captains' Corner Attendee Check-In | Oceans Ballroom Foyer**  
12:30pm Check-in available to attendees who purchased the Captains' Corner add-on.

**3:30pm Advance Attendee Check-In | Oceans Ballroom Foyer**  
5:30pm Skip the lines on Saturday morning and check-in early!

### Captains' Corner Educational Seminar Series

Captains' Corner is the ultimate chance to interact with leading developers and learn more about the technology you know and love in an intimate, early-access environment. The seminars are available to attendees who purchased the Captains' Corner add-on as part of conference registration.

**12:30pm Captains' Corner: Advanced Training and Simulation | Prepar3D | The Flight Deck**  
1:15pm Learn how to develop an advanced simulation experience using Prepar3D.

**1:30pm Captains' Corner: Hardware Tweaking & Tuning | Jetline Systems | The Flight Deck**  
2:15pm An in-depth question and answer session on PC performance.

**2:30pm Captains' Corner: Flying at the Next Level | Navigraph | The Flight Deck**  
3:15pm Learn how Navigraph plans, executes, and flies their simulators for maximum realism.

**3:30pm Captains' Corner: Scenery Design | Orbx | The Flight Deck**  
4:15pm Orbx's Jarrad Marshall will educate and inspire fledgling flight simulation developers.

**4:30pm Captains' Corner: World Editor (WED) | X-Plane 11 | The Flight Deck**  
5:15pm Join the team from Laminar Research for a technical workshop on World Editor (WED).

## Saturday, June 8

Exhibits Open 9:30am – 5:30pm

<b>8:00am</b> 4:00pm	<b>Attendee Registration and Check-In   Oceans Ballroom Foyer</b> Receive your attendee badge, conference bag, and T-shirts (pre-purchased or for sale).
<b>9:00am</b> 9:15am	<b>Welcome to FlightSimExpo 2019   The Flight Deck</b> Event organizers welcome you to the conference and provide an event overview.
<b>9:30am</b> 10:15am	<b>Intro to At-Home Flight Simulation   FlightChops and Jason Miller   The Flight Deck</b> How at-home flight simulation can be used to benefit real-world flight training.
<b>10:30am</b> 11:30am	<b>Flight Simulation Addon Developers Panel   chillywillies   The Flight Deck</b> Add-on developers discuss their backgrounds and perspectives on flight simulation.
<b>12:45pm</b> 1:15pm	<b>Team Meet &amp; Greet   Lockheed Martin's Prepar3D   The Right Seat</b> Meet the Orlando-based Prepar3D developers, ask your questions, and get swag!
<b>12:30pm</b> 1:15pm	<b>For the LUV of Flight   Paul Schulten   The Left Seat</b> Airshow performer and Boeing 737 pilot Paul Schulten will discuss his aviation career.
<b>1:30pm</b> 2:15pm	<b>Dispatching and Operations Management   Matt Bartels   The Left Seat</b> A look behind the scenes at airline ops and what it takes to get aircraft from A to B.
<b>5:30pm</b> 7:00pm	<b>Event Social   Sponsored by Orbx   Main Exhibit Floor</b> Join us on the main exhibit floor for drinks and appetizers.

## Developer/Exhibitor Seminar Series

The FlightSimExpo Saturday Developer Seminar series offers simulation developers and tradeshow exhibitors a 30-minute window to discuss their products and showcase new developments.

### The Left Seat

<b>2:25pm</b>	2:55pm	<b>Mindstar Aviation</b>
<b>3:05pm</b>	3:35pm	<b>Gleim Aviation</b>
<b>3:45pm</b>	4:15pm	<b>iCloth Avionics</b>
<b>4:30pm</b>	5:15pm	<b>Laminar Research</b>

### The Right Seat

<b>1:25pm</b>	1:55pm	<b>Parallel 42</b>
<b>2:05pm</b>	2:35pm	<b>Mettar Simulations</b>
<b>2:45pm</b>	3:15pm	<b>Noble Flight Simulation</b>
<b>3:25pm</b>	3:55pm	<b>Virtual Fly</b>
<b>4:05pm</b>	4:35pm	<b>Orbx</b>
<b>4:45pm</b>	5:15pm	<b>Flight Velocity</b>

## Sunday, June 9

Exhibits Open 9:30am – 3:00pm

<b>9:00am</b> 9:30am	<b>Attendee Registration and Check-In   Oceans Ballroom Foyer</b> Attendees who are joining us for Sunday only may check in starting at 9:00am.
<b>9:30am</b> 10:30am	<b>Military Flight Training: Past, Present, and Future   Flack Maguire   The Right Seat</b> An overview of how the US Air Force and Navy use flight simulation for pilot training.
<b>9:30am</b> 10:30am	<b>Juneau Landing Competition   Sponsored by X-Plane 11   The Left Seat</b> A showdown of the best landers who attempted the competition at the X-Plane booth.
<b>10:45am</b> 11:30am	<b>At-Home Flight Simulation: Why and How   Calum Martin   The Right Seat</b> This three-part series covers the why and how of flight simulation, aimed at beginners.
<b>11:00am</b> 1:00pm	<b>Home Cockpit Building   Various Home Cockpit Builders   The Left Seat</b> An in-depth discussion of tools, tips, and tricks for home cockpit builders and simmers.
<b>11:45am</b> 12:15pm	<b>At-Home Flight Simulation: Online Aviation   Sebastian Knoop-Troullier   The Right Seat</b> This three-part series covers the why and how of flight simulation, aimed at beginners.
<b>12:30pm</b> 1:00pm	<b>At-Home Flight Simulation: Flying Online   Ethan Hawes   The Right Seat</b> This three-part series covers the why and how of flight simulation, aimed at beginners.
<b>1:15pm</b> 2:15pm	<b>FAA WINGS Seminar   Robert Jex   The Right Seat</b> Orlando FAAST Manager Robert Jex showcases the FAA's WINGS program.
<b>1:30pm</b> 2:15pm	<b>Discovering Helicopter Simulation   Sergio Costa   The Left Seat</b> An introduction to helicopters in flight simulation, an often overlooked subject!
<b>2:30pm</b> 2:45pm	<b>Thank You &amp; FlightSimExpo 2020   The Right Seat</b> Conference organizers will close the show with a few hints about the 2020 event.

North America's Community-Driven Flight Simulation Conference
